Martha Compton Association Mission Offering

The Waccamaw Baptist Women's Missionary Union established in 1995 an associational missions offering in honor of Mrs. Martha Compton. Mrs. Martha Compton was the wife of the pastor of First Baptist Church in Myrtle Beach and was an advocate for missions and enthusiastic supporter of the work of the Women's Missionary Union. During the month of May and at our spring WBA associational meeting we are encouraging all churches to consider a generous gift to the Martha Compton association missions offering. The primary purpose for this missions offering is to provide extra resources and encourage our WBA churches in missions, evangelism, and missions focusing especially on our mission field in the Greater Waccamaw Region. This fund will be guided by the Associational Missions Strategist and the WMU Leadership for distribution to mission efforts by WBA churches. Together we can make disciples of Jesus Christ in our local mission field until every person has an opportunity to hear and respond to the gospel.

Our Vision

We see every life and community in the Coastal Region saturated and transformed by the hope of the Gosepel through our partnerships.

Waccamaw Baptist Association

WMU Report from WMU Director, Vickie Matthews

This is an exciting time as we continue celebrating the 115th year of WBA WMU. What a huge task to carry on the work that the women saw so important to begin in Richmond, Va in 1888.

Mrs. Maud Mayo Snider had the same vision for the Waccamaw Baptist Association. The women sought to organize the first society in the Waccamaw Baptist Association in which she became the first superintendent in 1909. Mrs. Snider was a member of Conway First Baptist Church which hosted this year's Annual Spring WBA WMU Meeting on April 8, 2024. We held our meeting in Conway at CFBC recognizing past and present WBA WMU Directors from 1909 until the present, 2024.

Thanks to the church members who assisted in making the celebration a success. Thanks to Pat Barnett, Linda Berry & Betty Moore who serve on the Leadership Team and Brenda Stevens, Ministry Asst. for WBA. Guest speakers were, Peter Copeland, Impact Ministries, Myrtle Beach and Lauren Morris, Student Associate, SCWMU.

The meeting was called to order for the purpose of electing the 2024-2025 Waccamaw Baptist Association WMU Leadership Team by Vicki Anderson, Leadership Selection Team Chairman. There was a nomination for Vickie Matthews to serve as the WBA WMU Director. It was asked if there were any other nominations from the floor. Hearing no other nominations, WBA WMU Director - Vickie Matthews Area Director 1 & 4 - Vicki Anderson Asst. WBA WMU Dir., Prayer - Eunice Williamson Area Director 2 & 5 - Pat Barnett WOM/Adults on Missions/myMISSIONS- Katrina Cox Area Director 3 - Lynn Bellamy Youth on Missions/Acteens - Linda Hamilton Area Director 6 & 7-Linda Berry Ga/CA - Open(It could be YOU! Call 843-855-5080) Area Director 8 - Betty Moore Mission Friends - Renee Sullivan

Please mark your calendars for May 9 (correction from May 6), Thurs, 5:30-6:30 PM at the WBA Office at 1607 9th Avenue, Conway. This is during WBA Week of Prayer, MAY 5-12 for Martha Compton Missions. Praying that all 78 churches that make up the Waccamaw Baptist Association will participate in this opportunity. Bring your chair and we will provide a meal for you. **We just need for you to RSVP by 5/7 at 843-248-9548.** We will be praying around our building for God's power as we **Pursue His PASSION** and have strength to continue teaching missions and doing missions throughout the world to advance HIS KINGDOM for HIS GLORY!

We want to spread His message in John 3:16-17, FOR GOD SO LOVED..... 17, HE CAME NOT TO CONDEMN THE WORLD, BUT TO SAVE THE WORLD.

BCM Report from BCM Director, David Neace

Ministry partners - Thank you so much for believing in, partnering with, and investing in the lives of college students this year. We have had an incredible year as God has moved in amazing ways and we have seen lives changed foreternity. Please join me in celebrating what God has done through your generosity, your prayers, and His desire to see His name praised!

Here are some of the ways we have seen God move:

We have seen over ten students respond to the Gospel this school year. We have seen students connect, join, be baptized, and serve in local churches. We had 26 students participation our Fall Retreat where we focused on the person of the Holy Spirit, and close to 30 students attend the Converge conference. We were active in missions this year as we saw 20 students participate in the December Coats for the City trip in NYC, 14 students serve over Spring Break in Los Angeles, 10 students commit to summer mission assignments all over the world, and we sent out our first 2 journeyman missionaries who committed to a 2 year term overseas. We also held a pray for the nations night where we specifically prayed for Unengaged Unreached People Groups. We partnered with local churches and the community to serve through a DNOW, a One Night, and other community service efforts. We were active monthly on campus with tabling efforts to engage the campus and have gospel conversations. And that is just the beginning, as we had Tuesday nights, small groups and so much more!

As we begin preparing for the summer, here are things you should be aware of and ways you can pray and connect: We will be present at the summer orientations (10), which begin in June. We will have the 10th Annual Coastal BCM Golf Tournament on Friday, August 2 and we NEED your help making it a success. Please let us know if you want to play, donate, sponsor or get involved in another way.

We will have our Pastors and Partner Vision Dinner in August again this year. We will have our Golf Cart prayer drive in August as well so be on the lookout

Thanks so much for your partnership in the Gospel!

The value of partnership in missions in action. Waccamaw Baptist Association churches and WMU groups collect health kits. We store them at the WBA office. WBA mission teams then come by and distribute them on mission trips throughout the year. #lovethewba

We would like to thank all the churches for their donations for the health kits. This is truly a blessing, and we are grateful for generosity in being the hands and feet of Jesus.

In 1952 congress passed a law that gave authority to the President to set aside one day each year as a day of prayer. President Ronald Reagan signed Public Law 100-037 on May 5, 1988 establishing the first Monday in May each year as a National Day of Prayer. This law states that, "The President shall set aside and proclaim the First Thursday in May in each year, as a National Day of Prayer, on which the people of the United States may turn to God in prayer and meditation at churches, in groups, and as individuals." **The Waccamaw Baptist Association is sponsoring two public prayer events on May 2 at 12 noon with one in Conway in front of the old courthouse steps on 3rd avenue and a second location at the Horry County Regional Office Building at 9630 Scipio Lane, Myrtle Beach, SC 29580.** Each location will feature public prayers for our nation, churches, revival, and various community needs. Public is invited.

One of our mission partners with the WBA has a great mission outreach that churches, youth groups, VBS, and mission groups could adopt. For \$600 you can sponsor a soccer tournament in Zambia that reaches hundreds where the Gospel will be clearly shared. Click this link for more information.

<http://comegowithus.org/>

Dear Friends,

Imagine a group of young hearts beating with enthusiasm and joy as they chase after a soccer ball, their laughter echoing across the fields of Zambia. Now, envision these same youth gathering not just for the love of the game but also to hear the message of hope and love found in Jesus Christ. This is the essence of Come Go With Us, and we invite you to be part of this transformative journey.

Come Go With Us is committed to spreading the Good News of Jesus Christ in Zambia, Africa, using the universal language of soccer. Our soccer program not only fosters athletic skills but also serves as a platform for sharing the gospel with youth who may never have encountered it otherwise. Through our tournaments, we aim to touch hearts, inspire minds, and change lives.

You have the opportunity to make a profound difference in the lives of these young individuals. With your support, we can continue to host 25 tournaments throughout 2024, reaching up to 200 participants in each event. Your generosity enables us to provide essential resources such as soccer balls, nets, first aid equipment, jerseys, water, snacks, and even medical professionals to ensure the safety and well-being of our participants. Your gift at any level, will support Zambian children and give them access to not only the joy of soccer but also the life-transforming message of Jesus Christ. Alternatively, you may choose to sponsor an entire soccer tournament for \$600, allowing us to impact the lives of numerous youth and their families. As a token of our gratitude, donors sponsoring an entire tournament will receive a customized short video summarizing the event they sponsor.

Every contribution, no matter the amount, makes a difference. Your support enables us to continue our mission of spreading hope, love, and the message of Jesus in Zambia.

To make your contribution, simply visit our website at comegowithus.org or use the enclosed reply device and envelope. Your generosity will directly impact the lives of countless youth and families, bringing light to their communities and hope for their future.

As Wednesday is National Kick Ball Day in America, we thank you for considering this opportunity to partner with us in sharing the love of Jesus through the beautiful game of soccer. Together, we can make a lasting difference in the lives of those we reach.

In Christ,
Ken & Karen Buckner

Greetings WBA churches and ministry partners.

I wanted to share with you an opportunity for you and your church to get involved in local missions. There are college age students that come to North Myrtle Beach and Myrtle Beach each year from more than 50 counties. These 2,500 students are known as “J-1” students because they are here legally working under the J-1 work visa program as a work and cultural study in the United States. We are one of many tourist cities they come to each summer. We need churches like yours to get involved at one of our 2 ministry sites.

INTERNATIONAL
 MISSION BOARD

The **International Mission Board** has a **Missions College** held each year at the International Mission Center in Richmond. This is a great opportunity to learn more about our international missions program and connect with our IMB personnel. I (Dr. Gaskins) had the opportunity to attend one of these designed for Associational Missions Strategist and I'm so glad I did. This Missions College is designed for pastors (and their wives) as well as key leaders in your church that lead and support your international mission efforts. If finances are an issue, we'll be glad to assist any pastor who wants to go. Visit <https://bit.ly/3Ta5pq8> to sign up and let me know if you have any questions.

Ocean View is partnering with Lifeline Children's Services to offer Families Count here in Horry County. Families Count is a Christ-Centered, holistic ministry of the Church that focuses on family restoration and preservation. It targets parents who are at-risk for having their children removed from their home, and parents who have lost custody and are working toward reunification. There are three elements included with every class that seek to meet the practical, physical needs of class members and allow them to fully participate without distraction. They are; transportation to/from class as needed, a quality meal served as part of the class, and childcare during class as needed. Our team at Ocean View was trained by Lifeline and last fall we ran our first class. We are very excited to see all God will do through this ministry!
